Partner Onboarding Form

Required Documents Checklist

Below are the required documents that must be collected from the partner during onboarding:

- **Professional / Academic License:** A printed or digital copy of the partner's civil engineering or construction license (containing their license number/stamp).
- **Business Registration Document:** Official business registration document containing the business license number (required if operating a registered firm; optional for independent contractors operating with a professional license).
- **Bank Account Details:** Business bank account details (for registered businesses) or personal bank account details (for independent contractors). *(Mobile money account details may be collected as an alternative depending on the instance).*
